NOTES TO SCHEDULE OF CASH RECEIPTS AND DISBURSEMENTS MONTH AND THREE MONTHS ENDED SEPTEMBER 30, 2019 & 2018

General Comments

The Schedule of Cash Receipts and Disbursements ("Schedule") represents the cash basis activity for the month and fiscal year-to-date ("FYTD") compared to the allocation of the annual adopted budget.

The Schedule consists of two sections: Operating Activity and Facility Improvement/Noise Mitigation Transactions. Receipts are shown as positive amounts and disbursements as negative amounts. Favorable budget variances are shown as positive amounts and unfavorable variances as negative amounts. Because this Schedule is on a cash basis, cash timing differences may contribute to budget variances.

The Operating Activity receipts include charges for services (parking, landing fees and concessions), tenant rents, fuel flowage fees, other revenues and investment receipts. The Operating Activity disbursements include costs of services, materials, contracts, personnel and debt service.

Facility Improvement / Noise Mitigation Transactions represent the activity for the Authority's capital program, which consists of the Sound Insulation Program and Other Facility Improvement Program Projects.

The FY 2020 Capital Program expenditures are primarily funded by the following sources:

- FAA-approved Passenger Facility Charge ("PFC") program receipts/reserves;
- Grants;
- Operating Revenues;

The notes below provide additional information regarding the performance results detailed in the "Schedule of Cash Receipts and Disbursements."

A Supplemental Schedule of Cash Receipts and Disbursements reflecting the activities related to the Series 2012 Bond debt service and repayment to the Authority of the loans provided to the Rent-A-Car Companies ("RACs") for the Regional Intermodal Transportation Center / Consolidated Rental Car Facility is also presented.

NOTE (1) – Cash Receipts from Operations

Cash receipts from operations are ahead of budget FYTD September. On an accrual basis, operating revenues are favorably ahead of budget FYTD September by \$2,099,971. See notes 2 through 8 for additional information regarding operating receipts.

NOTE (2) – Landing/Fuel Fees

Landing Fees are based on landed weight of the aircraft. Fuel fees are charged at a rate of \$0.05 a gallon to non-signatory air carriers for fuel loaded at BUR. On an accrual basis, Landing Fees combined with Fuel Flowage Fees exceed the budget by \$150,465 FYTD September.

NOTE (3) – Parking Fees

Parking fee revenues performed ahead of the budget forecast. Accrual basis Parking Fees are \$358,503 ahead of budget FYTD September.

NOTE (4) – Rental Receipts - Terminal Building

Terminal Building rental receipts exceed the budget FYTD September due to additional concession revenues received above the minimum annual guarantee. Accrual basis Terminal Building rents are \$568,412 ahead of budget FYTD September. The positive FYTD September passenger growth of 19.86% has contributed to achieving the favorable performance results.

General Comments

The debt service on the 2012 Revenue Bonds and the repayment to the Authority of the loans to the Rent-A-Car Companies ("RACs") is payable from Customer Facility Charges ("CFCs") and Facility Rents. Under the terms of the Bond Indenture, as amended, all CFCs collected subsequent to July 1, 2014 are remitted to the Bond Trustee for the 2012 Bond debt service.

On July 1, 2014, the terms and conditions of the Non-Exclusive Concession and Lease Agreement with the respective Rent-A-Car Companies became effective, including the collection of Facility Rent.

Note (1) – Customer Facility Charge ("CFC") Receipts

CFCs of \$6 per day per transaction, up to a maximum of five days, are collected and applied to the 2012 Bond debt service. CFCs received FYTD September exceeded the budget due to better than expected car rental activity.

Note (2) – Facility Rent

Facility Rent exceeds the budget FYTD September due to the timing of receipts.

Note (3) – Loan Principal Repayments to the Authority

Repayments of the loan principal to the Authority from the Rent-A-Car Companies exceed the budget FYTD September due to timing of receipts. The principal portion of the payment will be deposited as reimbursement to the Authority's Facility Development Fund. The interest portion of the loan repayment is recorded as investment income.

Note (4) – Net RITC / ConRAC Facility Payments and Collections

A positive amount in this line indicates that cash has been received above the required payment obligations. At fiscal year-end, upon conclusion of the required reconciliation, any excess surplus accumulated will be evaluated and applied toward the allowed uses under the terms and conditions of the Non-Exclusive Concession and Lease Agreement with the Rent-A-Car Companies.

In the event of a shortfall of receipts to meet the required payment obligations (i.e., CFC collections perform under budget projections), the Authority holds the right to adjust the Facility Rent paid by the rental car companies on a 30-day notice.

**STAFF REPORT PRESENTED TO THE
BURBANK-GLENDALE-PASADENA AIRPORT AUTHORITY
JANUARY 21, 2020**

FIRE SERVICE COOPERATIVE AGREEMENT

SUMMARY

At its December 16, 2019, meeting of the Operations and Development Committee, the Committee voted unanimously (3–0) to recommend that the Commission authorize the Director of Public Safety/Chief of Police to execute a proposed Fire Service Cooperative Agreement (“Agreement”) with the City of Burbank (“City”).

BACKGROUND

Since 1988, the Authority and the City have implemented a mutual aid contract to facilitate cooperation between the Airport Fire Department (“AFD”) and the Burbank Fire Department (“BFD”). The existing mutual aid contract was executed on June 17, 1996. The BFD and the AFD share fire service jurisdiction at the Airport and wish to update the current mutual aid contract. The BFD and the AFD recognize that each entity possesses unique qualities, skills, and resources that may be valuable to the other. The purpose of the proposed Agreement is to reflect current practices as well as set forth guidelines and responsibilities of both parties.

IMPACT ON OPERATIONS

It is not expected that the implementation of the proposed Agreement will have any noticeable impact on how the AFD provides safety and security for the traveling public, nor will the Agreement measurably impact how the two agencies interact with each other.

IMPACT ON REVENUES

Execution of the Agreement will not have any impact on Authority revenues.

RECOMMENDATION

At the December 16, 2019, meeting of the Operations and Development Committee, the Committee voted unanimously (3–0) to recommend that the Commission authorize the Director of Public Safety/Chief of Police to execute a proposed Fire Service Cooperative Agreement with the City of Burbank.

FIRE SERVICE COOPERATIVE AGREEMENT

This Fire Service Cooperative Agreement (“Agreement”) is entered into this 1st day of October 2019, between the City of Burbank (“City”) and the Burbank-Glendale-Pasadena Airport Authority (“Authority”).

I. DECLARATIONS

The parties hereto recognize and acknowledge that a large portion of the Bob Hope Airport (commonly known as Hollywood Burbank Airport) (“Airport”), including the terminal and all major parking lots, is located within the City of Burbank. The Burbank Fire Department (“BFD”) and the Burbank-Glendale-Pasadena Airport Authority Fire Department (“AFD”) share Fire Service jurisdiction at the Airport. The purpose of this Agreement is to set forth guidelines and responsibilities of the parties. Both agencies recognize that each entity possesses unique qualities, skills, and resources that may be valuable to the other, and hereby agree to support the other as set forth herein.

II. OPERATIONS

A. ANY EMERGENCY RESPONSE ON AIRPORT PROPERTY

1. AFD shall have the initial responsibility for response and investigation of any reported emergency incident originating on Airport property.
2. BFD shall be dispatched on any reported emergency incident. AFD shall not cancel Burbank Fire units. If no incident exists, or AFD can handle, AFD will advise responding BFD units and BFD will continue or cancel at the discretion of BFD.
3. Initial command will rest with AFD until such time as BFD arrives on scene. When a Company or Chief Officer from BFD arrives on scene, command will be transferred to BFD and Unified Command will be established between cooperative agencies.

B. AVIATION INCIDENT (ALERT 1, 2 OR 3) OFF AIRPORT PROPERTY

1. BFD shall have the initial responsibility for response and investigation of any reported aviation incident originating off Airport property.
2. AFD may be dispatched automatically as part of the initial response; however BFD will request Airport Fire at the discretion of the Company or Chief Officer and/or cancel at BFD's discretion.
3. BFD will remain in command of the incident or enter into Unified Command based on the complexity of the incident.

C. EMERGENCY MEDICAL SERVICES

1. BFD, as the Emergency Medical Services (EMS) provider for the City of Burbank, shall have the primary responsibility for response for all medical incidents.
2. AFD shall be dispatched on any medical incident originating on Airport property. If AFD arrives on scene before BFD, AFD will investigate and begin Basic Life Support (BLS) measures.
3. AFD shall not cancel BFD units. Even if a patient refuses medical assistance, the patient cannot sign-out Against Medical Advice (AMA) or refuse treatment to AFD; AFD is to remain on scene with the patient until BFD resources arrive on scene.
4. BFD will assume command of all medical emergencies.

III. OFF AIRPORT RESPONSE BY AFD

A. AT THE REQUEST OF BFD

1. There may be incidents where the knowledge or specialized equipment and apparatus of AFD may be of a strategic or tactical benefit or advantage to an AFD response off airport. BFD may request the assistance of AFD and AFD's equipment or apparatus by contacting Verdugo Fire Communications Center and placing the request.

2. AFD is only eligible to respond if resources leaving Airport property do not cause the Airport to be out of "Index." The Airport must always maintain minimum resource staffing to be within Federal Aviation Administration Index requirements.
3. Upon receipt of a request and confirmation that the Airport will not be out of Index if the requested resources were to respond off Airport, AFD must obtain permission from the Airport Director of Public Safety/Police Chief and the Airport Fire Chief before responding.
4. AFD will notify Verdugo Fire Communications of either their ability to respond and provide an Estimated Time of Arrival to the requested incident or their inability to respond to the request.

B. SELF-DISPATCH

1. AFD shall not self-dispatch to incidents off Airport property.
2. If AFD comes across an off Airport incident (Still Alarm), AFD will investigate, notify Verdugo Fire Communications to have BFD (or appropriate jurisdiction, e.g. Los Angeles Fire Department) respond and will render aid or assistance until units arrive on scene.
3. Upon the arrival of BFD (or appropriate local jurisdiction), AFD will assist as necessary under the command of BFD.

IV. SUPPORT AND ADMINISTRATIVE SERVICES

A. MEDIA RELATIONS

1. Except as requested by the Airport Fire Chief or the designee thereof, AFD or the Authority will provide a Public Information Officer (PIO) to address Airport specific media inquiries for incidents within the Authority's primary jurisdiction.
2. The BFD PIO or the designee thereof may release basic details of the incident such as type of incident (e.g. structure fire, hazardous materials incident, etc.) for any incidents originating or taking place on Airport property. BFD PIO shall clear all media statements

beyond basic information with a designated and authorized Authority representative before releasing to the media.

B. SECURITY BADGING

1. COMMUNITY NOISE CONCERNS

Southern San Fernando Valley Airplane Noise Task Force Meetings

The fifth meeting of the Task Force was held on January 15, 2020 at 6:30 pm at the Los Angeles Burbank Marriott Hotel. Four community groups presented their proposed solutions at the meeting: Burbank for Quiet Skies, Parents of LAUSD Students, Save Coldwater Canyon, and the Valley Village Home Owners Association. HMMH, the facilitator of the Task Force, provided a presentation on the status of the Task Force to date. Additionally, HMMH recommended that, starting with the sixth meeting, the Task Force shift from education and information gathering to development of solution proposals that will become a set of recommendations to the FAA for its consideration.

Availability of Documentation and Recordings

Agendas and videos of the Task Force meetings, including the presentations made during the meetings, are posted to both LAWA and Hollywood Burbank Airport websites.
