**STAFF REPORT PRESENTED TO THE  
BURBANK-GLENDALE-PASADENA AIRPORT AUTHORITY  
SEPTEMBER 18, 2017**

**APPROVAL OF CONCEPTUAL DESIGN AND MODIFICATION OF TASK SCHEDULE  
FOR  
PUBLIC ART AT THE  
REGIONAL INTERMODAL TRANSPORTATION CENTER**

**SUMMARY**

Staff seeks the Commission's approval of the conceptual design for the artwork that will be displayed on six panels of the Regional Intermodal Transportation Center ("RITC") at Hollywood Burbank Airport ("Airport") and approval of Amendment No. 1 to Artwork Commission Agreement ("Amendment") for the modification of Exhibit B ("Task Schedule").

The Artwork Commission Agreement ("Agreement") between the Burbank-Glendale-Pasadena Airport Authority ("Authority") and Fausto Fernandez ("Artist"), which was approved at the February 6, 2017, Authority meeting, requires that the Commission approve the Artist's conceptual artwork prior to beginning the fabrication process. Mr. Fernandez will present his conceptual design artwork to the Commission.

The initial approved Task Schedule in the Agreement requires modification due to timing-related issues. While the Task Schedule is a part of the Artist's agreement, the modification of the schedule is primarily due to an additional structural engineering review required for the art frame structure and its subsequent construction. Under the proposed Amendment, the entire project including design, production and installation is scheduled to be completed in September 2018. The proposed Amendment is attached for the Commission's consideration.

**BACKGROUND**

In September 2015, through a competitive Request for Proposal ("RFP") process, the Commission awarded a Professional Services Agreement to Gail Goldman for Authority art consultant services ("Art Consultant").

As part of the Art Consultant's services, Ms. Goldman was engaged to act on behalf of the Authority to satisfy the City of Burbank's requirement for the RITC. The scope of her responsibilities includes: (i) coordinating the approval process between all of the municipal stakeholders (Airport Authority and the cities of Burbank, Glendale, and Pasadena); (ii) researching materials; (iii) overseeing artist selection; and (iv) overseeing the installation of art on the RITC art columns along Hollywood Way.

At its August 15, 2016, meeting, the Commission approved Gail Goldman's recommendation to proceed with the selection of a single artist to provide art for all six of the columns. Selection of one artist would ensure the art has a unified appearance and theme.

To that end, Gail Goldman assembled a five-member Artist Selection Committee ("Committee"). The Committee was comprised of one representative from each project

partner as identified by the arts commission staff from the cities of Burbank, Glendale, and Pasadena; one staff member from Hollywood Burbank Airport; and Gail Goldman.

In October 2016, Gail Goldman presented the Committee with a list of 15 prequalified artists, and shortly after, the Committee recommended award of the Agreement to Fausto Fernandez.

On January 26, 2016, Staff met with the City of Burbank's Art in Public Places ("APP") committee and received approval that the proposed RITC Art Panels Project meets the City's requirements.

At its February 6, 2017, meeting, the Commission awarded Mr. Fernandez a Professional Services Agreement in the amount of \$85,000 to design and produce the artwork for the RITC Project. The entire project including design, production and installation was initially scheduled to be completed in May 2018. The change to the initial project schedule is primarily due to an additional structural engineering review and subsequently the amount of time associated with finalizing contract negotiations and execution with the primary material and construction vendor, which included a budget review and confirmation. The proposed modified schedule has been reviewed and agreed upon by all associated parties and provides ample time to complete the project. Upon approval of the proposed Amendment, the project will be completed in September 2018.

#### RECOMMENDATION

Staff seeks the Commission's approval of Mr. Fernandez's conceptual design for the artwork that will be displayed on six panels of the RITC and approval of Amendment No. 1 to Artwork Commission Agreement for the modification of the Task Schedule and to authorize the President to execute the same.

**AMENDMENT NO. 1 TO  
ARTWORK COMMISSION AGREEMENT  
(Burbank-Glendale-Pasadena Airport Authority/Fausto Fernandez)**

This Amendment No. 1 (“First Amendment”) to the February 6, 2017 Artwork Commission Agreement (“Agreement”) executed by the Burbank-Glendale-Pasadena Airport Authority (“Authority”) and Fausto Fernandez (“Artist”) is dated August 21, 2017 for reference purposes.

**RECITALS**

A. B. The parties desire to amend the Agreement to revise the Task Schedule.

**NOW, THEREFORE**, the parties agree as follows:

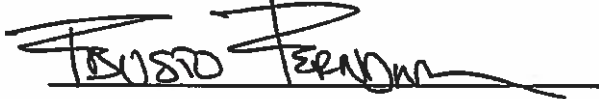

1. **Substitution of Exhibit B-1.** The attached Exhibit B-1 is substituted for Exhibit B of the Agreement. All references in the Agreement to Exhibit B shall be deemed to refer to the attached Exhibit B-1.

2. **Preservation of Agreement.** Except as expressly modified by this First Amendment, all of the provisions of the Agreement shall remain unaltered and in full force and effect.
