HOLLYWOOD BURBANK AIRPORT ANNOUNCES DETAILS FOR THIRD CHARRETTE WORKSHOP FOR REPLACEMENT PASSENGER TERMINAL

Design workshop will solicit community feedback on safety improvements, design features and amenities

WHAT:	<p>Hollywood Burbank Airport invites the community to once again participate in an interactive and iterative dialogue, known as a charrette process, with representatives from the Airport. This workshop is the third of six public charrette workshops that the Airport is holding in Burbank.</p> <p>Nearly 300 community members have participated in-person and several more have shared their feedback through our online charrette workshop. Their continued feedback is extremely important to the Airport.</p> <p>The third charrette workshop will focus on the design of public spaces including lighting, landscaping and signage. The workshop will begin with a presentation followed by a series of interactive workshops to collect community ideas for the design of the replacement passenger terminal.</p> <p>Participants are encouraged to stay for the duration of the charrette workshop. Attendees can RSVP at charrettesworkshops@gmail.com. While all members of the community are encouraged to participate in each charrette workshop, we have created an online version of the design charrette workshop so community members can participate should they not be able to attend in person.</p>
WHO:	<p>All members of the community with an interest in the design of the replacement passenger terminal are encouraged to attend.</p> <p>American Sign Language interpretation and translation services for Spanish and Armenian speakers will be available at each charrette.</p>
WHEN:	<p>Charrette #3 Saturday, June 15 9:00 A.M. – 12:00 P.M.</p>
WHERE:	<p>McCambridge Recreation Center 1515 N. Glenoaks Blvd., Burbank, CA 91504 <i>Attendees should park at public lots located on Glenoaks Blvd. or Andover Dr.</i></p>

AIRPORT ANNOUNCES DETAILS FOR THIRD CHARRETTE WORKSHOP IN BURBANK
06-10-19
2-2-2-2

With the passage of Measure B by Burbank voters on November 8, 2016, Hollywood Burbank Airport is working with the community and neighboring cities to build a safer, 14-gate replacement passenger terminal that is farther from the runways and meets current earthquake design standards. The replacement passenger terminal will provide the same convenience and easy access that air travelers now enjoy while providing greater user amenities. It is an investment in Burbank at no cost to local taxpayers. For more information, visit <https://burreplacementterminal.com/>.
