HOLLYWOOD BURBANK AIRPORT TEMPORARILY CLOSES PARKING LOTS A, C AND VALET PARKING

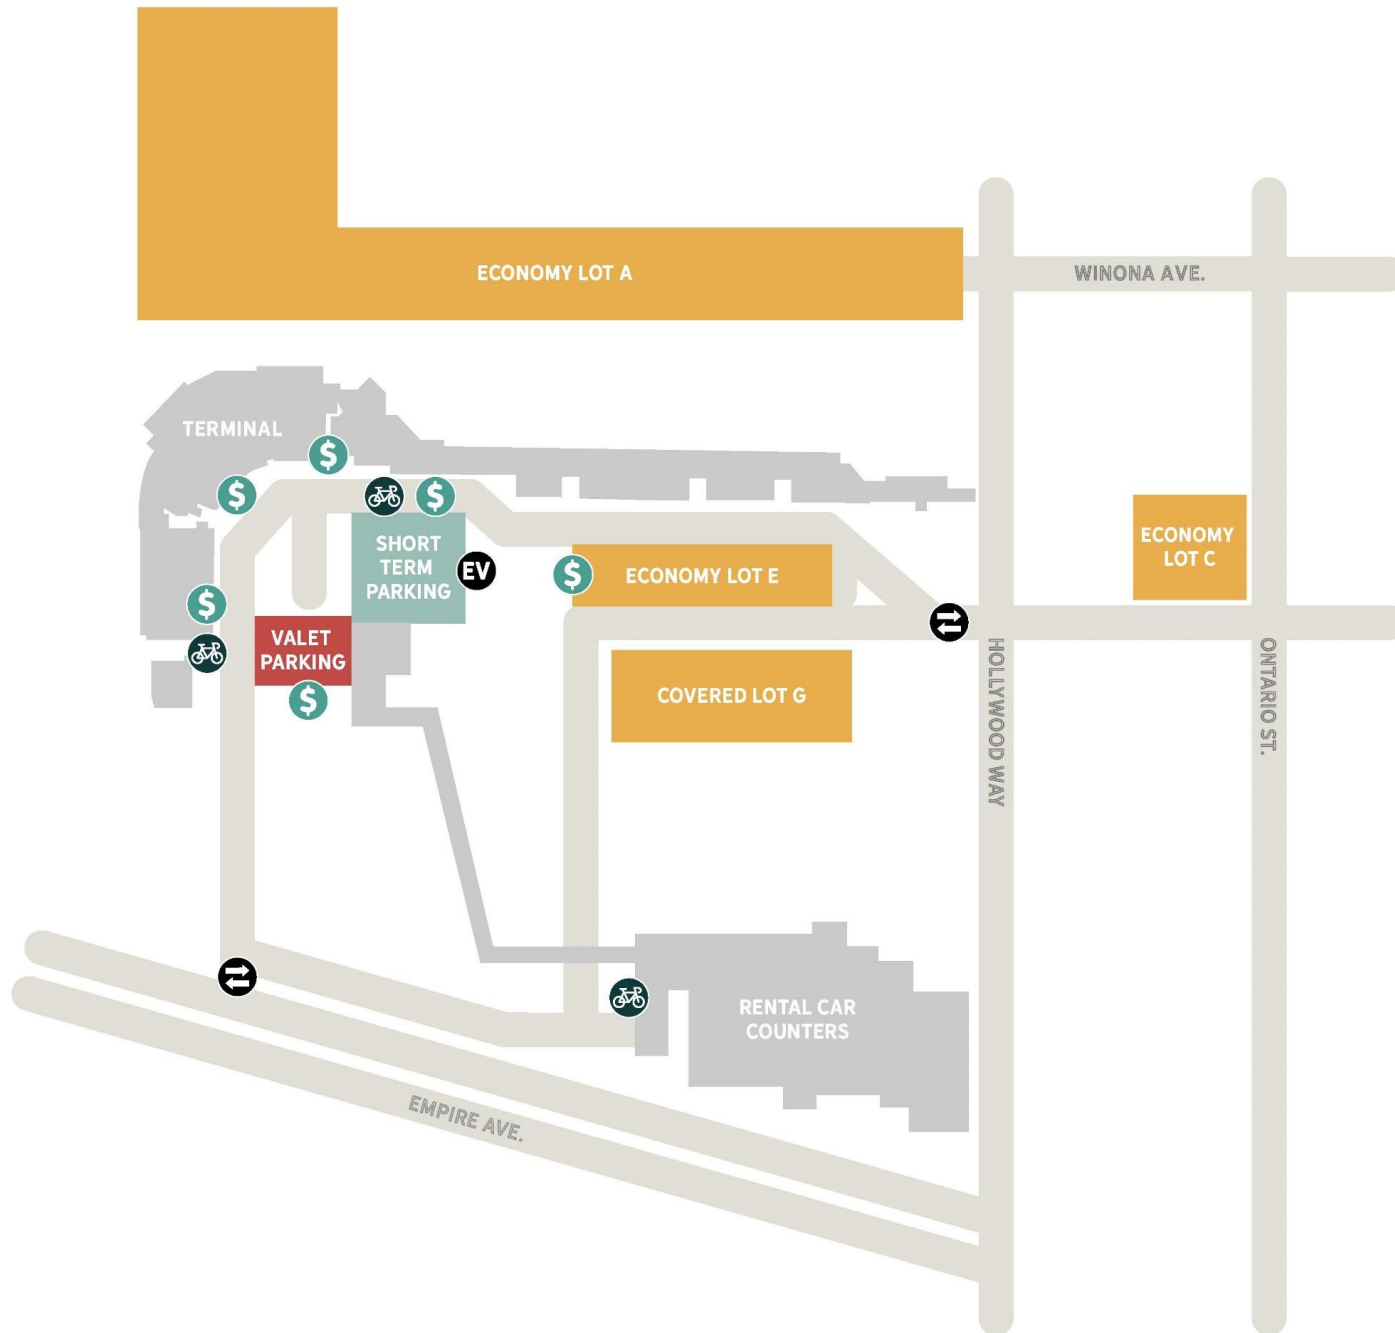

BURBANK, Calif., March 23, 2020 — Starting Monday, March 30, 2020, Hollywood Burbank Airport will temporarily close Parking Lots A and C, as well as Valet parking due to reduced demand. Passengers will be directed to park their vehicles in either Lots E, G or the short-term Parking Structure. This allows our passengers to park close and walk to the Terminal, making it more convenient to park and fly as we continue to best combat the spread of COVID-19, while still ensuring that essential services and operations continue.

Attached is a map of the Airport showing the location of Lots E and G, as well as the Parking Structure.
