### **HOLLYWOOD BURBANK AIRPORT REOPENS VALET PARKING SERVICES STARTING JULY 2, 2020**

BURBANK, Calif., June 29, 2020 — Due to the impacts of COVID-19, the valet parking services at Hollywood Burbank Airport (BUR) were temporarily suspended on March 30. On July 2, BUR will reopen its valet parking services to passengers wishing to valet their vehicles while traveling. Valet patrons may access the online parking reservation system at [www.hollywoodburbankairport.com](http://www.hollywoodburbankairport.com) or just pull up and drop off their vehicle at the Valet Center.

To help prevent the spread of COVID-19, SP+, the valet operator, will be implementing the following safety procedures when you drop off your vehicle:

- Valet team members must always wear face masks and gloves when handling vehicles.
- Markers will be placed on the ground to remind customers to practice social distancing while waiting for their vehicle or paying their parking fees.

Here are all the ways to pay for Valet parking at BUR while social distancing:

- Pre-book and pay directly through [www.HollywoodBurbankAirport.com](http://www.HollywoodBurbankAirport.com) on your own device prior to your trip.
- Use the Airport's Express payment kiosks that accept credit cards, Apple Pay, Samsung Pay, Google Pay, and pre-booked reservation QR codes.
- To retrieve your vehicle from Valet, call or text 818-626-3922, or use an Airport courtesy phone and enter your ticket number, or utilize an [express pay terminal kiosk](#).

Hollywood Burbank Airport will continue to make modifications to how we do business when necessary, upholding that the Airport continues to operate safely. The Airport will continue to disinfect frequently touched surfaces daily and asks everyone to wear a face covering in public spaces of the Airport as ordered by State of California, practice social distancing, and encourage frequent hand washing.
