Please return your badge to Airport Operations when no longer authorized, when transferred, or employment is terminated. If your badge is lost, you must report it to Airport Operations immediately and have it replaced. Replacement of a lost badge will be at your expense following the current approved fee structure with a partial refund if the badge is located and returned to Airport Operations prior to the expiration date. For repeat lost badges, an increased fee applies. These fees can be found on a lost badge replacement form.
