**HOLLYWOOD BURBANK AIRPORT ANNOUNCES DETAILS FOR CHARRETTE WORKSHOPS IN GLENDALE, PASADENA AND LOS ANGELES FOR REPLACEMENT PASSENGER TERMINAL**

*Design workshops will solicit community feedback from Glendale, Pasadena and Los Angeles residents on safety improvements, design features and amenities*

<b>WHAT:</b>	<p>Hollywood Burbank Airport is excited to announce the inclusion of its community workshops, known as a charrette process, to the cities of Glendale, Pasadena and Los Angeles. The Airport will host a workshop in each respective community to ensure that residents are able to share feedback on safety improvements, design features and amenities that they would like to see in the replacement passenger terminal. These workshops will focus on design principles and themes for the replacement passenger terminal, the same topic as charrette #2 held in Burbank on May 1.</p> <p>The first two charrettes held in Burbank resulted in an open dialogue with hundreds of community members creating a solid foundation for the replacement passenger terminal that will best serve the community.</p> <p>Each charrette will begin with a presentation followed by a series of interactive workshops to collect community ideas for the design of the replacement passenger terminal. Participants are encouraged to stay the duration of the workshop.</p>
<b>WHO:</b>	<p>All Glendale, Pasadena and Los Angeles community members with an interest in the design of the replacement passenger terminal are encouraged to attend.</p> <p>American Sign Language interpretation and translation services for Spanish and Armenian speakers will be available at each charrette.</p>

*With the passage of Measure B by Burbank voters on November 8, 2016, Hollywood Burbank Airport is working with the community and neighboring cities to build a safer, 14-gate replacement passenger terminal that is farther from the runways and meets current earthquake design standards. The replacement passenger terminal will provide the same convenience and easy access that air travelers now enjoy while providing greater user amenities. It is an investment in Burbank at no cost to local taxpayers. For more information, visit <https://burreplacementterminal.com/>.*
