HOLLYWOOD BURBANK AIRPORT NAMED BEST AIRPORT IN THE UNITED STATES

Fodor's Travel Recognizes BUR for Experience, Location, and Convenience

BURBANK, Calif., June 12, 2019 – One of the most respected resources in the travel industry has named Hollywood Burbank Airport the “Best U.S. Airport” in the first ever *Fodor's Travel Awards*.

“All of us at Hollywood Burbank Airport are honored to have received such recognition on a national level,” says Frank Miller, Executive Director. “We strive to maintain what our travelers value most about their airport, and will continue to pursue what will only enhance their travel experience.”

Fodor's editors find that guests enjoy a “straightforward, shenanigan-free experience” at Hollywood Burbank Airport.

"Hollywood Burbank is an airport free of most of the hassles that take the fun out of travel plans," says Fodor's managing editor Rachael Levitt. "It's an agreeable airport in a perfect location, which is why it's at the top of our list of airports to love."

The company's travel experts highlight the airport's affordable parking, quick shuttle access and easy-to-navigate terminals. Positive notes also include the airport's convenient access to a Metrolink Station, its dining options and its prime location.

“If you're visiting the L.A. region [via BUR], you're probably in closer proximity to the stuff you actually want to see,” *Fodor's* tells travelers. “Downtown L.A., Hollywood, Santa Monica, Beverly Hills, Universal Studios, and more of the city's best attractions are all easier to reach from Burbank than its neighbor LAX.”
